

STORYWALK®

You can keep this, or return it to the start of the story!

**Questions to start a conversation:
Everyone Starts Small by Liz Garton Scanlon**

Describe what it might feel like to be roots underground or a tree during a thunderstorm.

How are you resilient?

Have you experienced an environmental trauma? If so, how did you recover?

How does wind help with nature's plan?

How does fire make the trees feel?

All elements of the earth's ecosystems are interconnected. How are humans interconnected to the earth?

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. StoryWalk® is a registered service mark owned by Ms. Ferguson
